Merit Basis # Courses of Study for which the subject oriented Practical Tests / Aptitude Tests were conducted. These may be due to the following reasons:
 1. A given course of study in a given district has already been filled by the students of that district.
 2. A given course of study in a given university has already been filled by the students with higher Z-scores from other districts.
 3. The minimum requirements for admission for a given course of study from that district.

Conducted in all three languages. Therefore some students may not get selected to such courses of study in some universities, if they do not obtain the minimum Z-score required to get selected.

UNIVERSITY GRANTS COMMISSION
01/12/2023

* Selection 100% on an all Island Merit Basis
 NQC - No Qualified Candidates. This may be due to:
 1. District quota for a given course of study in a given district.
 2. Number of places in a given course of study in a given university.
 3. No candidates who have satisfied the minimum requirements for admission for a given course of study from that district.
Note :
 Certain courses of study are not conducted in all districts even though they have obtained the minimum Z-score.
