FOREWORD

The University Grants Commission is pleased to present the 13th volume of “Sri Lanka University Statistics 2014”. Statistical data published in this book is confined to 15 Universities and 18 Higher Educational Institutes established under the Universities Act No. 16 of 1978. It should be noted that, in addition, there are 5 state universities established under Acts of Parliament; namely Buddhasravaka Bhiksu University, Buddhist and Pali University of Sri Lanka, General Sir John Kotelawala Defence University, University of Vocational Technology and Ocean University of Sri Lanka, and several other degree awarding institutes recognized under the Universities Act and non-state higher educational institutions as higher education providers, mainly offering degrees from internationally recognized universities.

This publication is aimed to fulfilling the management information needs of the system and attempt has been taken to present the necessary data for retrospective years also, for the convenience of those engaged in research and policy making in Higher Education. The statistics presented in the publication is classified under six chapters namely, Chapter 1: General Information of the University Sector, Chapter 2: University Admission, Chapter 3: Student Enrolment, Chapter 4: Graduate Output, Chapter 5: Staff Statistics, Chapter 6: Finance of Higher Educational Institutions under the purview of the UGC.

Management Information Systems (MIS) Division of the UGC has accomplished this important activity with active contribution from Universities and Higher Educational Institutes functioning under the purview of the UGC. Constructive suggestions for improvement of this publication are very much appreciated.
